

## East Cove Restaurant

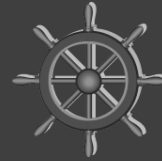

Welcome to the East Cove Restaurant!  
Located on Route 9L of Lake George, the East Cove has been in operation since opened by Peter Smith in 1968, when it was first known for its burgers and late night breakfast.

Located on the East Side of Lake George, or quiet side, and out of the busy-ness of the Village, the East Cove is now known as one of the local dining favorites. Our log cabin Adirondack atmosphere provides a warm, rustic environment, and with it many pictures of historic Lake George and several scenic photos of the lake. Our menu ranges from pub food and burgers, to veal, steaks, prime rib, seafood, and a constant variety of featured specials.
